A message to my students:

I hope you guys are doing well and staying healthy. I know this is a weird time for everyone since we can't really go outside and classes have been moved to online, and I know some of your school classes have been frustrating most likely because of it being online, well for me at least. Most of you guys will be moving up to 5th grade, and it's been fun teaching you guys, and I wish the best for you all. Stay safe, healthy, and have a good summer!
